

# Escape to Ibiza

Appetite is voracious for a new development in Ibiza. Savills report that more than half of The White Angel's 67 units have been sold since launch in July 2012. Agent Joanna Leverett believes that low prices, together with a lack of other new-build projects under construction in the area, is fuelling buyers' interest. The White Angel is situated in the Marina Botafoch area of Ibiza town, a short walk from the old town and the beach, and only 15 minutes away from the airport. It comprises two- and three-bedroom, beautifully designed apartments, which have access to communal gardens, swimming pool, three Jacuzzi plunge pools and a concierge service. The units, which are due for completion in spring 2014, are perfect both for year-round use and as rental investments. Prices start from €353,000 (020-7016 3740; [www.savills.co.uk](http://www.savills.co.uk)).
